Interactive World Map

Title	Description	Updated
Map container	Width: adaptive Height: ~400px Padding around map container: 10px Container outline line: 1px, #CCCCCC 	
Map tools	Panning controls: no / remove. Zoom in / zoom out buttons: yes / keep.	
General interactivity	Scroll mouse wheel to zoom in / out: yes / keep.	
Country interactivity	For countries which fall **outside** the filtered set (via the EBT chart filter): • Mouse over ==> show the country name tooltip • Click ==> nothing • Mouse out ==> nothing For countries which are part of the **filtered** set: • Mouse over ==> show contry name tooltip on map and EBT chart + highlight country on map + highlight bar on EBT chart • Click ==> highlight country on map + load country data into "Country Data" bar chart and info box (see below) • Mouse out ==> keep country highlighted on map and EBT chart + keep it's data loaded + hide country name and EBT chart tooltips	14.03.2016
Colors	Oceans and other water: transparent to chart panel background color (#F5F5F5) Countries which fall **outside** the filtered set (via the EBT chart filter): #DDDDDD Countries which are part of the **filtered** set: #CCCCCC Highlighted countries: red (#CC0232) Country name tooltips: Arial, 13px, #666666 text on white background with #AAAAAA outline, square corners	14.03.2016

Chart: Country Data
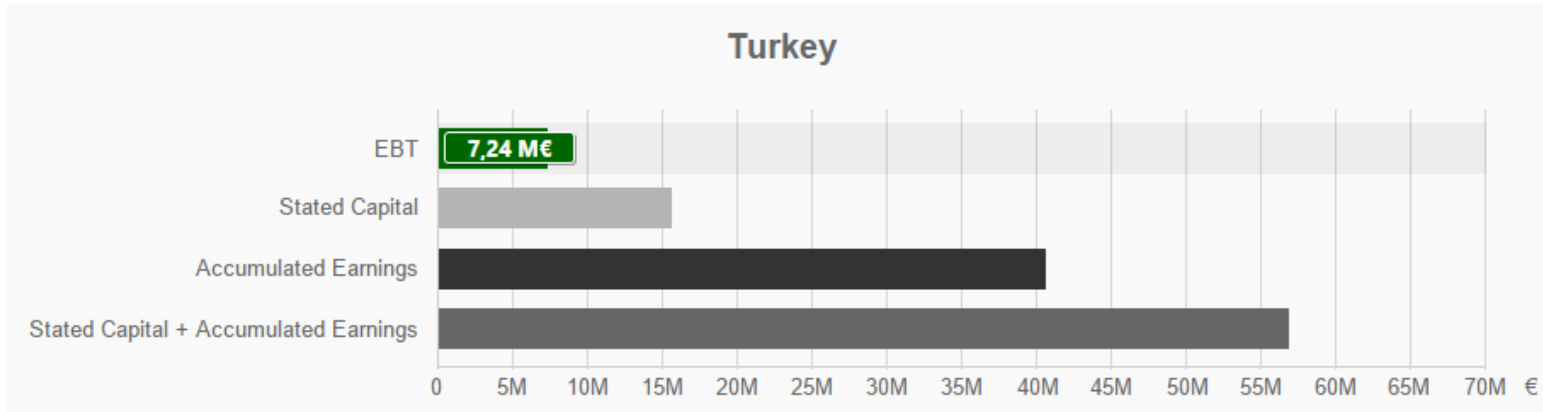

Title	Description
Country heading	Centered, above the bar chart. 20px, Arial, bold, #666666
Context menu	None
Bar colors	- EBT: #006600 - Stated Capital: #B4B4B4 - Accumulated Earnings: #333333 - Stated Capital + Accumulated Earnings: #666666

Chart: EBT

Item	Description	Updated
Chart title	"EBT"	
Filtering: "View" filter	 **"View" filter.** Options: "All Countries by EBT" (**default**) "All Countries by EBT / Stated Capital + Accumulated Earnings" "Top 10 by EBT"	14.03.2016

- "Top 10 by EBT / Stated Capital + Accumulated Earnings"
- "Bottom 10 by EBT"
- "Bottom 10 by EBT / Stated Capital + Accumulated Earnings"
- "Top 10 + Bottom 10 by EBT"
- "Top 10 + Bottom 10 by EBT / Stated Capital + Accumulated Earnings"

When "All Countries by EBT" or "All Countries by EBT / Stated Capital + Accumulated Earnings" is selected, the filter should (a) work together with the numeric filter (described below) and (b) be applied onChange.

In case there's fewer than 20 countries, "Top 10 + Bottom 10" should simply show all countries.

Filtering: numeric text field	When a value OTHER than "All Countries by EBT" or "All Countries by EBT / Stated Capital + Accumulated Earnings" is selected in the view dropdown (i.e. Top 10), this text field (+ label and button) should be: - disabled (and not applied) - the contents of the text field cleared When "All Countries" is selected in the view dropdown, this text field (+ label and button) should be enabled and applied. - Text box should accept both positive and negative numbers. - Default value = **blank**. Blank = no numeric filtering should be applied to data. - Filter should (a) work together with the "View" filter (described above) and (b) be applied when the "Apply" button is clicked. - Entering the amount and pressing the "Enter" key should activate the "Apply" button.	03.03.2016
Chart type	Bar with negative stack.	
Chart legend	None	
Context menu	Yes	
EBT	"Profit / Loss Before Income Tax (EBT)"	
Interactivity	- Mouse over ==> show contry name tooltip on EBT chart and map + highlight country on map + highlight bar on EBT chart - Click ==> highlight country on map + load country data into "Country Data" bar chart and info box - Mouse out ==> keep country highlighted on EBT chart and map + keep it's data loaded + hide country name and EBT chart tooltips	
Paging	Regardless of view filter selection, only 10 bars should be displayed per "page." If 10 or fewer bars match the filter scriteria, the paging buttons should be hidden. If 11 or more bars match the filter scriteria, the paging buttons be displayed on the right of the bar plot, vertically centered with the chart plot. ⌃ 1 / 3 ⌄ Buttons: FontAwesome fa-chevron-up / fa-chevron-down, 13px, #666666	14.03.2016

Info box: EBT / Stated Capital + Accumulated Earnings

Title	Description	Updated
Title	"EBT / Stated Capital + Accumulated Earnings"	
Interactivity	Show the correponding country's data when country is clicked in the map or the EBT bar chart. When no coutry is selected: **EBT / Stated Capital + Accumulated Earnings** When a country is selected: **EBT / Stated Capital + Accumulated Earnings** $$\frac{\text{EBT} \quad 7{,}24\text{ M €}}{\text{Stated capital + Accumulated Earnings} \quad 56{,}63\text{ M €}} = 12{,}78\ \%$$	14.03.2016
